

Welcome

Leland, Julie, Brooklyn, Sydney and Gracelyn welcome you to Hall Lake Cabins, a resort for the whole family. We have everything you need at a price you can afford. We're close to home, but far enough away for an enjoyable stay.

Hall Lake Cabins are located on the south side of Fairmont on Hall Lake, just a half mile off Highway 15. Hall Lake connects with George, Budd, Sisseton and Amber to form Fairmont's "Chain of Lakes." These lakes are among the top-rated fishing lakes in the state. Walleyes, crappies and bullheads are plentiful and can be caught right off the dock. For the more patient fisherman, there are northern, bass, catfish and perch out there just waiting for you.

Bring your boat, try your luck, explore and enjoy our lakes. Boats can be launched at public ramps 1/2 mile away between Hall and Budd lakes. We have two docks for fishing, relaxing and swimming. In the evening, gather around our fire pit and swap fish stories.
